Welcome to our first newsletter

We will share news, events and activities that have taken place here at Danesbrook House over the last few months.

We hope you enjoy reading it.

## REFURBISHMENT WORK

Building work has started and once finished the lounge and dining room will be even better. We are looking forward to it being finished so that everyone can enjoy the new space.

## EASTER 2019

We had such a fantastic time this Easter. Dave Kelly came along and performed for us, there was an Easter Bonnet parade, lots of dancing and great food.

## Bowling

Activities are very important to us, and we make sure each day is different and never boring. Recently we had a bowling day where our residents proved to be in great shape. This made it a very competitive event that everyone really enjoyed.
